

HP WallArt Solution 3.0

HP WallArt in Store Design

February 2015

Basic Concept

What is **HP WallArt In-store design**

Is a tool for Print Service Providers that will deliver multiple HP WallArt access points for retail buying experience in deco stores

Minimum scope, to manage a maximum of 10 shops by account. Biggest retailers needs a complete different solution

What is **HP WallArt In-store design**

HP WallArt registered users can offer to small deco retailers

- ① A new buying experience in deco stores, delivering access to digital design of wall applications
- ② No retail stock needed, delivering goods in a record time

HOW?

- ① Retailer customized access to HP WallArt designer
- ② Direct contact with PSP, who will receive all the store incoming jobs directly to HP WallArt dashboard

HP WallArt In-store design dashboard

Track all the incoming jobs from the access points established in the deco-stores

The screenshot shows the HP WallArt Solution dashboard. At the top, there is a blue header with the HP logo and navigation links for 'FAQ', 'Tutorial', and 'Need help?'. Below the header, there are logos for 'dp For Maisons Home deco' and a QR code labeled 'Design using your Tablet' with the code 'A19D9F'. A blue box highlights the QR code, with an arrow pointing to the text 'QR Code to try your designs at home with the table app'. To the right, a blue 'Start' button is highlighted with a blue box and an arrow pointing to the text 'Click on Start to be re-directed to HP WallArt designer and start a project'. Below these elements is a table with columns for 'Project', 'Dates', 'Project Information', and 'Actions'. The table contains two rows of project data.

HP WallArt designer at access points in deco-store

At the deco-stores, this will be the HP WallArt Designer experience at the access points to create customized designs

Edit/modify your design anytime, anywhere

After creating a design from the deco-store access points, end user can receive an email to edit their design from home, using a **PC** or from the **tablet app**

The screenshot shows an email from HP WallArt Administrator to Sogo, Irene. The email content includes:

- HP logo and "HP WallArt Solution - Grow your wall decoration business"
- Text: "hello Customer name, here you have the link to start editing your files"
- Text: "Click the link to access your design:"
- Callout: "End user can edit their design, created from the deco-store access point, using their PC from home" pointing to the "Edit your wall design" button.
- Text: "If the 'Edit your wall design' button above does not work, copy and paste the link below into your browser [https://designer.hpwallart.com/xxx?project_token=641918c5-5a57-d724-92e1-136bb5e1d186](\"https://designer.hpwallart.com/xxx?project_token=641918c5-5a57-d724-92e1-136bb5e1d186\")"
- Callout: "End user can edit their design using the HP WallArt table/iPad app from home, being able to do the photo realistic preview" pointing to the "Edit your wall design with Android tablet or iPad app" button.
- Text: "If the 'Edit your wall design with Android tablet or iPad app' button above does not work, copy and paste the link below into your browser [https://designer.hpwallart.com/projects/641918c5-5a57-d724-92e1-136bb5e1d186/launch_in_ipad](\"https://designer.hpwallart.com/projects/641918c5-5a57-d724-92e1-136bb5e1d186/launch_in_ipad\")"
- Buttons for "GET IT ON Google play" and "Available on the iPad App Store"
- Callout: "En user will need to enter this code in the tablet/iPad app" pointing to the digital code "8945F0".
- Text: "Use this WallArt digital code in the Android tablet or iPad application to create projects with Digital Printing : **8945F0**"
- Text: "You are receiving this email because Digital Printing is managing the design of a project for you with your consent."
