

PrintOS

HP PrintOS is a print production operating system with a set of web and mobile apps for HP Large Format printers. With PrintOS you can continuously improve your operations, inspire your staff, and make better, faster decisions. Use PrintOS to manage any number of jobs from submission to shipment, to collaborate with industry partners and colleagues, and discover new opportunities for growth. Access the open and secure cloudbased PrintOS virtually anytime, anywhere.

PrintOS Learn

The central learning platform for your print organization. Consume and track personalized and continuous learning. Accessible Anytime, Anywhere.

Join the global trend of online learning at your convenience anytime, anywhere

PrintOS Learn provides **specific knowledge** about your printers. Grow your knowledge one step at a time, track progress and certify accomplishments. Find your personalized path with:

- e-Learnings
- Videos
- Webinars
- Instructor led training
- And much more waiting for you!

Learn App is already in your PrintOS account

IMPORTANT: If you do not have an account in PrintOS yet, contact your support representative to be invited to create your organization.

First steps

1. Sign in to your PrintOS account: www.printos.com
2. Access Learn from the PrintOS App Switcher.
3. Start learning and increasing your knowledge!
4. From the "Help menu" (?) you can launch a tour on the application to discover all its functionalities.

Start Learning

Filter among the printers you have or the skill you are interested to learn about.

You can also learn from a printer that it is not yet in your organization. Start learning before the printer arrives!

PrintOS Learn has **dedicated features** that apply tangible metrics to your learning process, with the following benefits:

- Increasing printer productivity by skilled operators
- Manage and view the learning performance of your employees
- Personalized & continuous learning

For **more information** contact your preferred HP Channel Partner or HP Sales Representative.
