

Firmware TYPH_10_24_13.4 is available

For the PageWide XL Pro printer series

June 2024

A new firmware release is available for the HP PageWide XL Pro printer series. This document contains the same functionalities and fixes/improvements introduced in the previous version and adds the implementation of the HP CAC reader in selected units.

The following models of the HP PageWide XL Pro Printer series are compatible with this firmware release.

- PageWide XL Pro 5200 MFP
- PageWide XL Pro 8200 MFP
- PageWide XL Pro 10000 Printer
