

Momoa as Arthur Curry / Aquaman alongside Patrick Wilson, Amber Heard, Yahya Abdul-Mateen II, and Nicole Kidman.

Momoa pitched a story for an Aquaman sequel during production of the first film. Wan did not want to rush a sequel but agreed in January 2019 to oversee development. Johnson-McGoldrick signed on to return as screenwriter a month later, and Wan was confirmed to be returning as director in August 2020. He said the film would expand on Aquaman's worldbuilding, and announced the sequel's title in June 2021. Filming began at the end of the month and concluded in January 2022, taking place in the United Kingdom, Hawaii, Los Angeles, and New Jersey, with additional filming in New Zealand.

Arthur Curry, who also goes by the Atlantean name Orin. He is the son of a human lighthouse keeper & the queen of Atlantis.

Alongside appearing in the Imaginary cast, Jason Momoa is also known for roles in Baywatch, Game of Thrones, & Fast and furious 10.

Imaginary held its world premiere in Berlin, Germany on November 5, 2024,[3] and is scheduled to be released in North America on November 17, 2024, by Lionsgate Films. The film received generally mixed reviews from critics.

In what will be a revived week for moviegoing after the actors strike and heading into the Imaginary holiday, Lionsgate's Imaginary is looking to lead a global frame with a \$100M+ start.

WHEN AND WHERE WILL Imaginary BE STREAMING?

The new Imaginary prequel Imaginary will be available for streaming first on Starz for subscribers Later on the movie will also be released on Peacock thanks to the agreement between distributor Lionsgate and the NBC Universal streaming platform Determining the exact arrival date of the movie is a slightly more complex matter Typically Lionsgate movies like John Wick 4 take approximately six months to become available on Starz where they tend to remain for a considerable period As for when Songbirds Snakes will be accessible on Peacock it could take nearly a year after its release although we will only receive confirmation once Lionsgate makes an official announcement However if you wish to watch the

movie even earlier you can rent it on Video on Demand (VOD) which will likely be available before the streaming date on Starz

HOW TO WATCH Imaginary 2024 ONLINE:

As of now, the only way to watch Imaginary is to head out to a movie theater when it releases on Friday, September 8. You can find a local showing on Fandango. Otherwise, you'll have to wait until it becomes available to rent or purchase on digital platforms like Vudu, Apple, YouTube, and Amazon or available to stream on Max. Imaginary is still currently in theaters if you want to experience all the film's twists and turns in a traditional cinema. But there's also now an option to watch the film at home. As of November 26, 2024, Imaginary is available on HBO Max. Only those with a subscription to the service can watch the movie. Because the film is distributed by 20th Century Studios, it's one of the last films of the year to head to HBO Max due to a streaming deal in lieu of Disney acquiring 20th Century Studios, as Variety reports. At the end of 2024, 20th Century Studios' films will head to Hulu or Disney+ once they leave theaters.

IS Imaginary MOVIE ON NETFLIX, CRUNCHYROLL, HULU, OR AMAZON PRIME?

Netflix: Imaginary is currently not available on Netflix. However, fans of dark fantasy films can explore other thrilling options such as Doctor Strange to keep themselves entertained.

Crunchyroll: Crunchyroll and Funimation have acquired the rights to distribute Imaginary in North America. Stay tuned for its release on the platform in the coming months. In the meantime, indulge in dark fantasy shows like Spider-man to fulfill your entertainment needs.

Hulu: Unfortunately, Imaginary is not available for streaming on Hulu. However, Hulu offers a variety of other exciting options like Afro Samurai Resurrection or Ninja Scroll to keep you entertained.

Disney+: Imaginary is not currently available for streaming on Disney+. Fans will have to wait until late December, when it is expected to be released on the platform. Disney typically releases its films on Disney+ around 45-60 days after their theatrical release, ensuring an immersive cinematic experience for viewers.

IS Imaginary ON AMAZON PRIME VIDEO?

Imaginary movie could eventually be available to watch on Prime Video, though it will likely be a paid digital release rather than being included with an Amazon Prime subscription. This means that rather than watching the movie as part of an existing subscription fee, you may have to pay money to rent the movie digitally on Amazon. However, Warner Bros. and Amazon have yet to discuss whether or not this will be the case.

WHEN WILL 'Imaginary', BE AVAILABLE ON BLU-RAY AND DVD?

As of right now, we don't know. While the film will eventually land on Blu-ray, DVD, and 4K Ultra HD, Warner Bros has yet to reveal a specific date as to when that would be. The first Nun film also premiered in theaters in early September and was released on Blu-ray and DVD in December. Our best guess is that the sequel will follow a similar path and will be available around the holiday season.
